A More Private Way

[Song: Come to the Quiet. John Michael Talbot](#) (Lyrics on page 2)

[Reading: Seeking, listening, being present ...](#)

So Jesus said, "When you have lifted up the Son of Man on the cross,
then you will understand that I am he.

I do nothing on my own but say only what the Father taught me.

John 8:28 NLT

'I am the good shepherd; I know my sheep and my sheep know me –
just as the Father knows me and I know the Father –
and I lay down my life for the sheep.

I have other sheep that are not of this sheepfold.

I must bring them also.

They too will listen to my voice,
and there shall be one flock and one shepherd.

John 10:14-16 NIV

*Prayer: Father, teach me to sit with you; to hear your voice. Amen

Come to the Quiet

John Michael Talbot

Lord, my heart is not proud
Nor are my eyes fixed on things beyond me.
In the quiet I have stilled my soul
Like a child at rest on its mother's knee;
I have stilled my soul within me.

So Israel come and hope in your Lord,
Do not set your eyes on things far beyond you.
Just come to the quiet,
Come and still your soul
Like a child at rest on its Daddy's knee;
Come and still your soul completely.

John Michael Talbot

I Will Wait

Katie M. Peters

Lord I come to You
I give You all I am
My successes and my failures I lay down
I surrender my perceptions
I'm trusting in Your grace
So I enter Your presence to wait
In the stillness
In the quiet
All my shame falls away
As I seek Your face
I hear You calling
Gentle whispers
You're beckoning me to Your heart
When I come to You
You wrap Your love around me
And the breath of Your Spirit
Lights my soul
When my guilt and misconceptions
Dissolve in Your embrace
And what's left of me falls at Your feet
I am broken by Your mercy

For it's here in my weakness
You show Your power
You take my pieces
Fit me together
As a masterpiece I've never known
In the stillness
In the quiet
All my shame falls away
As I seek Your face
I hear You calling
Gentle whispers
You're beckoning me to Your heart
I will wait
I will wait
I will wait
I will wait
I will wait
In the stillness, in the quiet
All my shame falls away
As I seek Your face
I hear You calling
Gentle whispers
You're beckoning me to Your heart
I am broken by Your mercy
For it's here in my weakness
You show Your power
You take my pieces
Fit me together
As a masterpiece I've never known
In the stillness
In the quiet
All my shame falls away
As I seek Your face
I hear You calling
Gentle whispers
You're beckoning me to Your heart
I will wait
I will wait
